Job Announcement

Foothill Family Service builds brighter futures – empowering children and families in our community to overcome challenges and achieve success in relationships, school and work.

Programs that Foothill Family provides include: preschool and school-based mental health services for high-risk children, adolescents and their families; child abuse prevention and treatment; parent education; individual, family and group counseling; case management for pregnant and parenting teens and their children; domestic violence treatment for survivors and perpetrators; community education; and counseling and support for older adults.

Summary: In the Linking Early for Autism Program (LEAP), the Early Interventionist provides resources and referrals to Foothill Family clients ages 0-5 who exhibit development delays, as well as supportive services for the parents and families such as outreach, parent support group, and workshops. The Early Interventionist will also be available for consultation with staff from all sites regarding questions about services for autistic spectrum disorders. The Early Interventionist will need specialized knowledge and experience working with developmentally delayed children and their families.

Position: Early Interventionist
Location: West Covina, CA

Qualifications:
- BA/BS in Social Science; three year of related experience
- **Bilingual – Spanish required**
- Excellent organizational skills to manage high activity level
- Knowledge and sensitivity to cultural differences
- Excellent written and oral communication skills
- Initiative and flexibility, creativity, and enthusiasm
- Extremely detail-oriented; high level of accuracy
- Ability to effectively and successfully interact with individuals from diverse socio-economic/ethnic groups
- Ability to keep information confidential
- Excellent interpersonal skills
- Ability to be an excellent representative of the agency to the community
